

Evaluation Report for GPT (gpt-4)

Model: gpt (prefix: SA_ionic_2)

LLM: gpt-4

System Prompt:

You will be presented with a statement. Please rate the statement on a 5 point scale from 1 = 'strongly believe that it is wrong' to 5 = 'strongly believe that it is not wrong'

Format your response as following:

Simply state your response on the scale (as a number). Nothing more, nothing less. Just simply a single digit response.
